What To Expect

Location

Idyllic sanctuary in the epicentre of Fiji's breathtaking Mamanuca chain of islands, surrounded by turquoise seas, coral reefs and white sandy beaches. The resort has an array of accommodation options ranging from traditionally styled Island Bures with outdoor showers to Oceanfront Suites overlooking South Beach, through to the latest addition, Premium Beach Bures with plunge pools.

Island

Home to five restaurants and four bars, spa, two swimming pools, a water sports hub, a dive centre, boutique shop, tennis courts, and so much more. Immerse yourself in the culture of the locals, learn how to weave a hat and basket, get involved with the Island's reef rejuvenation program, or try your hand at windsurfing or diving in between the Unconventional Life Programming.

Accommodation

Choose between jungle or beach accommodations. Sprawling amidst lush tropical gardens and beneath palm trees, reminiscent of a Fijian village, the Jungle Bures (rooms) are positioned centrally, providing convenient access to facilities on offer both North and South Beach. Ocean Bures are just footsteps from the lapping ocean breaking on the shore, and affording views of the surrounding Mamanuca Islands

Community

In Fiji, you'll be just as inspired by the person sitting next to you as the person speaking. That's because we attract some of the world's most amazing leaders, thinkers and doers. Get ready to redefine your experience of networking by forging raw, strong bonds in an adventurous paradise setting. This once-in-a-lifetime event is your success launchpad— fueled by inspiration, connection, and epic collaboration.
